

ENGLISH 1 MS. BENNETT

EES81 - FALL 2020

BOOKS ARE MAGIC

COURSE DESCRIPTION AND OVERVIEW

I AM SO HAPPY TO BE YOUR TEACHER!

English 1 is the first experience with high school level ELA. The focus of this course is individual transformation and we will work through questions about ourselves and what changes us. I have tried to design the course to be a rich, engaging, and thought-provoking experience to help you become a better reader, writer, listener, speaker, critical thinker, and member of society.

My philosophy as a teacher is to support your needs and help you with transferrable skills that will actually help you in real life. Ten years from now, it will not matter if you can remember the specifics of the plot of some book a dead white guy wrote. What will matter is your ability to think critically and creatively, respond to texts and media, communicate effectively with other humans, understand different perspectives, and use the power of literacy to change your life and this world for the better.

- I can write an accurate summary of something I read that is objective and organized.
- I can identify the central idea or theme of something I read through the use of the text and inferencing skills.
- I can analyze similar themes across multiple texts by comparing and contrasting the development of those themes as well as the specific details surrounding them.
