It is a pleasure to be teaching your child this year in Health. We strongly believe that parental involvement is crucial in a child's education. We look forward to working with you, as well as with your child this year. Feel free to contact us at any time via email.

### **Course Description**

During this one semester graduation requirement course, students will: comprehend concepts related to health promotion and disease prevention; demonstrate the ability to access valid health information and health-promoting products and services; demonstrate the ability to practice health-enhancing behaviors and reduce health-related risks; analyze the influence of culture, media, technology, and other factors on health; demonstrate the ability to use interpersonal communication skills to enhance health; and demonstrate the ability to advocate for personal, family, and community health. Students are strongly encouraged to discuss the course content and work with their families for the duration of this course.

### **Materials Covered**

*~Emotional & Mental Health*

*~Violence & Injury Prevention*

*~Abstinence Personal & Sexual Health*

### **Assignments**

Throughout each marking period students will turn in various assignments via google classroom. Assignments include classwork, google meet participation, and projects.

### **Grading Policy**
